About Leadership Crossroads

Engaging in international business for the first time is a true crossroads experience for any leader. Leadership Crossroads' service offerings are based on our **extensive experience in making international business successful** in countries such as Brazil, China, Finland, France, Germany, Hungary, India, Ireland, Italy, Japan, Korea, Singapore, Spain, Sweden, Taiwan, the United Kingdom, and many more. We can help you achieve strong results if your business activities include any of the following:

- Conducting international business negotiations
- Engaging with foreign sales and distribution channels
- Offshore outsourcing of manufacturing
- Offshore outsourcing of product development
- Operating foreign call centers
- Operating a subsidiary in another country
- Managing projects with international teams
- Employing an international workforce
- Conducting a corporate merger across borders
